Class 2 - Junior Dog

3 entries

21 PINES Jonathancreek

17 month. Correct proportions. Good breed type. Enough broad skull. Too small and light ears. Dark eyes, a bit round. Excellent scissors bite. Enough brisket for his age. Straight shoulders and short neck. Could also be better angulated rear. Turns front feet out while standing. Good length of croup, but a bit sloping. Enough long tail, needs clearer tan markings on the chest and head. Col structure OK. Enough length of steps behind, short steps in front movement. While moving over line, curving in the movement. Friendly and nice character.

33 PINES Conker

17 month. Good size. Correct proportions. Very good head type. Ears are a bit small. Dark eyes. Scissors bite. Very good brisket for his age. Enough bones. Weak pasterns. Good angulations. High hocks. Very good long croup. Good coat structure. Pale markings and no markings at all on chest and on muzzle. Straight movement. Very good length of steps. Excellent character.

49 PINES Filbert

Big male, 17 month. Correct proportions. Very good head. Good skull and stop. Dark eyes. Scissors bite. Good size of ears, but a bit light. Very good brisket and bones. A bit straight upper arms. Enough rear angulation, but turns back feet out while standing. Good length of croup. Completely pale tan markings. 15 cm long white stripe on chest. Good coat structure. A bit short feathers. Narrow in movement (behind). Prefer longer steps. Very good friendly character.

Class 3 – Yearling Dog

30 DRIFTINGSKY Thunder

Excellent middle size. Correct proportions. Correct lines in the head. A bit narrow skull. Dark eyes. Scissors bite. The muzzle could be better filled under eyes. Excellent brisket for his age. Very good bones. Correct pasterns. Very good angulations at front, excellent angulations at rear. Very good croup. Very good turn of stifle. Middle blonde completely markings. Good coat structure. Nice feathers. Straight movements. Very good length of steps. Very good character. Quite small testicles.

32 DRIFTINGSKY Lightning

Size small to middle size. A bit low on legs. Good broad skull. Very good muzzle. Round middle brown eyes. Good ears. Excellent rib cage and bones. Very good angulations front and rear. Long in loins. Very good croup. Coat structure OK. Enough long feathers. Needs more tan markings on head. Straight movement. Enough long steps. Unfortunate typical female proportions.

39 PINES Walnut at Hightimbers

18 month. Big size. A bit long in proportions. Correct lines in strong head. Broad skull. Muzzle should be better filled under eyes. Middle brown eyes. Very good ears. Scissors bite. A bit loose lips. Strong rib cage. Strong bones. A bit weak pasterns. Very good angulations front and rear. A bit long in loins. Long tail. Not completely straight on the end. Excellent coat structure. Complete tan markings from middle blonde to dark blonde. Curved tail while moving. Very good length of steps. Very loose

movement at front. Very good character.

Class 5 Post Graduate Dog

22 FASSKOLEY's LIAM of Calindi

Correct proportions. 18 month. Size from middle size to big. Beautiful head, eyes and expression. Very good ears. Middle brown oval eyes. Scissors bite. Enough angulated front, very good rear angulations. Excellent rib cage for his age. Very good bones. Good pasterns. Croup long enough. Good coat structure. A bit short feathers. A bit short tail. Complete tan markings. Colour from middle blonde to dark. Narrow movement behind. A bit loose front. Good length of steps. The tail is straight and stiff while moving. Very good character.

1st 22

Class 6 – Limit Dog

41 FASSKOLEYS Sallins Solo

Correct size and proportions. Very good head. Dark eyes. Good ears. Scissors bite. Missing P3 upper jaw left. Excellent brisket. Enough bones. Very good angulations front and rear. Good length of croup. Good coat structure. Short feathers. Needs much better tan markings on chest and head. Very good character. Very loose movement on front. Good length of steps.

27 MINCHES Chief Riever

5 years. Middle size. Correct proportions. Very good head. Middle brown eyes. Good ears. Scissors bite. Excellent brisket. A bit straight shoulders and short neck. Steep upper arms. Good bones. Excellent croup. Very good angulation in rear. A bit weak pasterns. Very good coat structure. Excellent blonde colour with excellent shadings. Movement could be better. Takes short steps at front and needs better drive behind. Excellent character.

13 PINES Monet

3 years of age. Correct proportions. Good size. Excellent broad skull. Middle brown, slightly round eyes. Good ears. Scissors bite. Narrow brisket. Very good angulations front, poor angulations rear, completely sloping croup. Low tail set. Excellent coat structure. Good feathers. Complete middle blonde tan markings. Too weak movement behind. Good length of steps in front. Excellent character.

45 BERKENBOS Chinook

4 years of age. Very good type. Correct proportions. Narrow skull. Dark eyes. Good ears. Scissors bite. Enough brisket. Good bones. A bit steep upper arms. Enough long neck. Very good angulations rear, a bit weak in pasterns. Correct coat structure. Nice feathers. A bit flat feet. Weak rear pasterns. Good length of croup, but a bit sloping. Very narrow movement behind. Excellent long steps. Very good lively character.

Class 7 – Open Dog

20 PINES AKEN

2 ½ years of age. Good size. Correct proportions. Very strong dog. Too heavy head. Very broad skull. Light eyes. A bit small, but correct set ears. Scissors bite. Strong muzzle. Very good brisket. Good angulations front and rear. Sloping croup. Strong bones. Good coat structure. Complete middle blonde tan markings. Middle long steps in movement, needs better drive at rear. Character OK.

28 TYEHELVA Neo Nexus

Size from small to middle size. A bit flat and narrow skull. A bit female looking expressions. Middle brown eyes. Scissors bite. Good ears. A bit straight shoulders. Just enough bones for this size. Deep enough, but a bit short rib cage. Sloping croup. Short tail. Enough angulations at rear. Very good tan markings. Only markings over eyes could be clearer. Good length and structure of coat. Excellent character. Narrow movement on rear. Middle long steps. Needs better rear drive.

36 MINCHES Jet of Zwartbos
Absent

38 PINES Saxophone at Hightimbers

6 years of age. Very good type and proportions. Very good head. Beautiful middle brown eyes. Good ears. Scissors bite. A bit loose lips. Strong brisket and bones. Very good angulations front and rear. Good croup. Good length and structure of coat. Very good feathers. Very good tan markings, could be a bit clearer on the head. Very good character. Movement a bit loose at front. Good length of steps. Needs a bit more drive on rear.

53 FASSKOLEYS Mathan

Size from small to middle size. Correct proportions. Good head, enough broad skull. Beautiful dark eyes. Strong muzzle. A bit light ears. Scissors bite. A bit narrow brisket. Very good bones. Very good angulations front and rear. Good length of croup. Good length of coat, but not in best possible condition. Excellent long feathers. Complete markings, a bit pale in colour. Moves narrow in rear, a bit loose in front. Very good length of steps.
